## **HOW-TO:**

### PET ROCK

#### You will Need:

A rock from the garden

Craft paints and coloured markers

A paintbrush

#### Instructions:

1. Wash the rock to get all the dirt off, and dry it off.
2. Paint the rock whatever colour you want! Like Green for a monster or Red for a ladybird - remember you can make whatever kind of Pet Rock you want! It can have spots or stripes or any kind of pattern!

3. You might need to do one layer at a time and leave it to dry in between.
  
4. When the paint is dry you can also add any other bits of craft if you want, like felt for hair or beads for eyes or noses - you just need to glue these on.
  
5. Now all you have to do is name your pet rock!
