Color side down, fold square piece of paper in half.

Fold in half to make a crease.

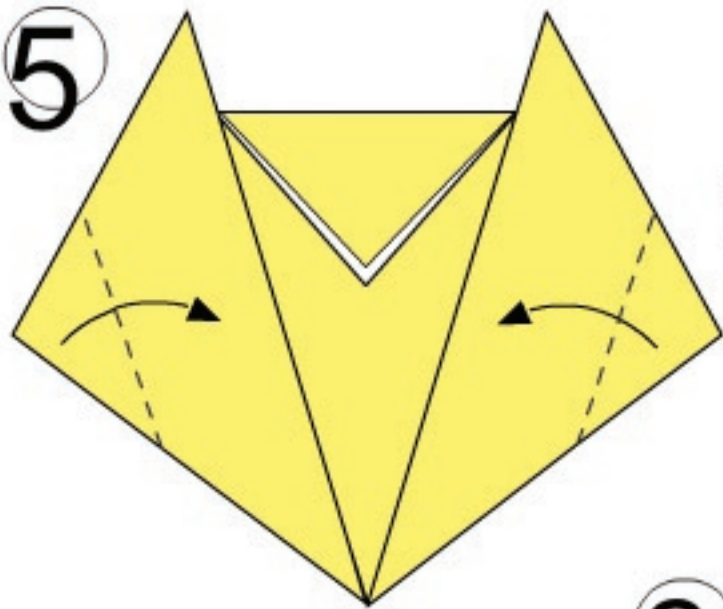

Fold bottom points up at the dotted lines, leaving a point at the top.

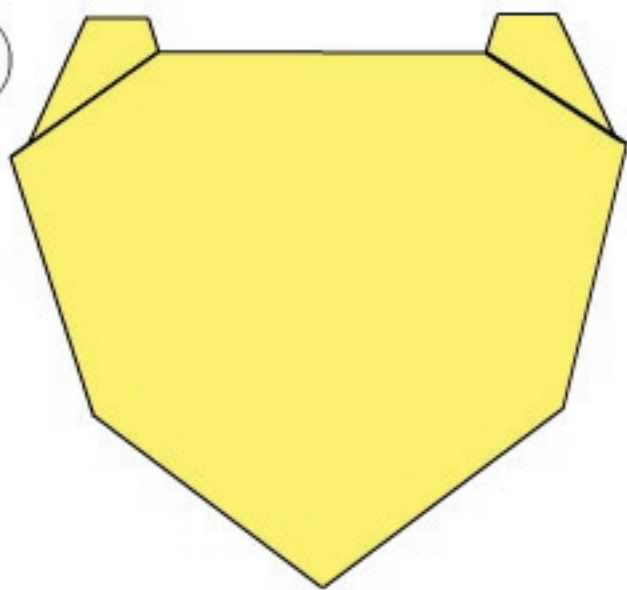

Fold down middle point at the dotted line.

5

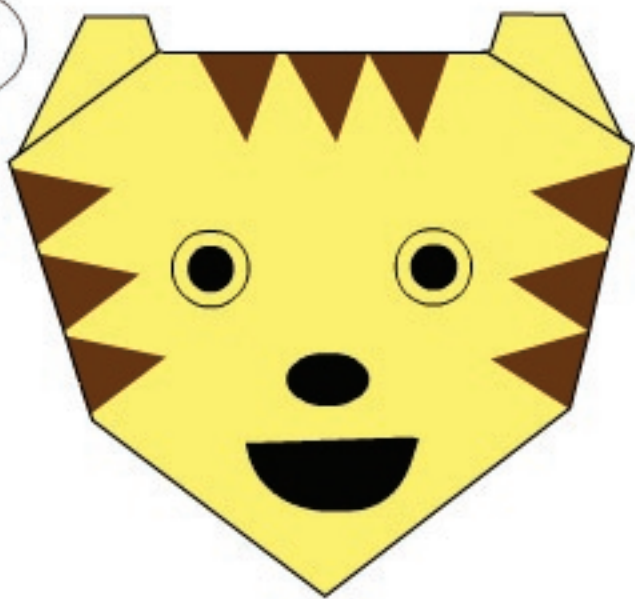

Fold sides in at the dotted lines.

6

Turn over and fold tips of ears back.

7

Draw in the eyes, nose, mouth and stripes. Use wiggly eyes if you have them.

Optional: To make into a finger puppet, tape a small strip of paper to the back for finger to poke through.
